

Year 2 Mission- TARC

- To maintain an up to date and multi-user friendly DMC/TARC website.
- To provide ongoing trend and correlate analyses of DMC using statewide data.
- To maintain an up to date power point for various audiences of the public education work of the Blue Ribbon Panel members.
- To provide technical assistance to three local sites (Taos, Santa Fe, and Las Cruces) regarding 1) ongoing local DMC data collection and analysis and 2) implications of data for training and program development, based on evidence-based best training/programmatic practices.
- To collaborate with the Blue Ribbon Panel and local sites to coordinate a New Mexico DMC Symposium.
- To conduct qualitative data collection and analysis regarding the factors influencing juvenile justice professional decision making at the points of arrest and referral and implications for training and policy development statewide.
- To provide monthly and annual reports on TARC activity and goal achievement.
